

**Supplemental Figure – Romano et al.**

**Figure S1. ALX/FPR2 expression in hPDLSC.** (A) Real-Time PCR detection of ALX/FPR2 mRNA in hPDLSC and PMN. (B) Surface (SUR) and intracellular (IC) ALX/FPR2 expression in hPDLSC. Anti-ALX/FPR2 antibody (blue histogram) and secondary antibody staining (red histogram) are shown. (C) Representative confocal image of ALX/FPR2 distribution in permeabilized hPDLSC. Anti-ALX/FPR2 (green), nuclei (blue) and anti-phalloidin (red). Original magnification = 40 x.
